"The entire Coaching Team is awestruck by Sheila. Her kindness, her generosity, her willingness to learn, her level of care for the others. Her warmth, her level of love, her honesty, and her dedication to learning with a nothing short of inspiring growth mindset. She completely threw herself into our waters and swam with her whole heart. She's an inspiration and example for us all."

"If I have lived my life the way that Sheila does, I have succeeded."
